

Topic 3.2: Finding Research Participants through Other People

Main Ideas

-
- Sometimes you need to **ask people** like service providers and family members to **help you find people with disabilities** to be in a research study.
-
- You can work with these people to help them understand **why people with disabilities** might **want to be in a research** study and **have the right** to make their **own choices** about being in a research study.
