

Topic 3.3: Consent: Working with People as they Make Decisions about Being in Research

Main Ideas

- **A consent meeting** is when someone **learns about** a research **study** and **decides** whether to be in the study or not.

- Consent must be:
 - **Informed:** people have all the information about the study they need.
 - **Voluntary:** people making their own choice anyone pressuring them.
 - **Ongoing:** people can say no at any time during the study.

- **Giving consent** is when someone **says yes** to being in a study.

- **Dissent** is when someone decides they **do not want** to be in a research **study**.
