

Putting it into Action: Research Team Member Responsibilities

Think about the **responsibilities** of **each team member**. Read each responsibility and **decide** who **has the most responsibility** for a part of the research.

Circle or check community research partner for community researcher's responsibilities.

Circle or check academic research partner for academic researcher's responsibilities.

Sometimes both community and academic research partners are responsible for the same things. On the next page, circle both community research partner and academic research partner if they both have the responsibility.

You can also do this activity [online](#).
